Will You be a Miracle Maker?

**Since 1990 Haven Horse Ranch
has been making a difference in the lives of children.**

More than 10,000 children are living proof that the Certified Equine Therapy Techniques developed at Haven Horse Ranch are life changing. When you've been a part of helping a handicapped child take their first steps, or an autistic child speak their first words... when you have watched tears running down the face of a grateful parent who watches their 5 year old child sit up for the first time... you understand the importance of the work this ranch does every single day. The at-risk youth program has seen troubled kids turn their lives around, begin to take pride in themselves, learn responsibility and go on to become productive members of society, instead of just another number in cell block 3. 100% of these kids have graduated from high school.

We rely on fundraising to provide these important therapy programs.

Please open your heart.

We experience miracles every day at the ranch.

We are asking you to partner with us, become a Miracle Maker.

Every dollar you give helps change a child's life.
